

PUBLIC NOTICE
Cotton Valley Water System
LA1119004

We are required to monitor your drinking water for specific contaminants on a regular basis. Results of regular monitoring are an indicator of whether or not your drinking water meets health standards. Please be aware of the following violation:

Bacteriological Monitoring Violation: During the monitoring period of **May 1, 2017 - May 31, 2017** Cotton Valley Water System did not monitor or test or did not complete all monitoring or testing for coliform bacteria as set forth in the State and Federal Primary Drinking Water Regulations [Part XII of the Louisiana State Sanitary Code (LAC 51:XII)]. Therefore, we cannot be sure of the quality of your drinking water during that time.

This is not an emergency. There is nothing you need to do at this time. As our customer, you have the right to know what happened and what is being done to correct the situation. Necessary action has been taken to prevent these violations from recurring.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

If you have questions, please contact our office at 318-832-4283.
